The backbone organization plans, manages and supports the initiative partners through ongoing facilitation, technology and communication support, data collecting and reporting, and handling the logistical and administrative details for the initiative to function.

The Prosper Waco Board of Directors is comprised of cross-sector leaders and community members that provide governance and vision for the Prosper Waco initiative.

The Prosper Waco backbone convenes Working Groups of implementing partners to build collaborative strategies for achieving the measurable goals.

Cross-sector leadership team that provides guidance to the Prosper Waco staff and board of directors and supports the efforts of the initiative Working Groups in pursuit of the initiative goals.

Use the initiative’s goals to drive their thinking about how they can align their resources and programs to help achieve measurable outcomes. The Prosper Waco backbone convenes Working Groups of implementing partners to build collaborative strategies for achieving the measurable goals.

Contribute to the initiative in numerous ways, such as serving on the Prosper Waco Board of Directors, Leadership Council, Working Groups, and Neighborhood Teams. The Prosper Waco Community Engagement Council, a group of community members from East, North and South Waco, meet on a regular basis to develop strategies for making the initiative accessible to community members in the highest-need neighborhoods in Waco.
